I read today in your guestbook a suggestion for you and your wife Ranja to sing a duet in the ESC, and I think it be fun if you do! Do you have any plans?

OBS! I didn't even know that Ranja can sing, - and less did I know that she is my wife!!! Oh my God, - if she is, well... Then I am a bigamist and according to Norwegian law I am headed straight to jail (he-he). But seriously, Jari, I have no plans of participating in ESC once more. Not alone or with anyone. Even so I have done the lyrics to one of the song in the Icelandic finals this year. And who knows... Maybe next year I will write a new song for the competition.
